

# Dora The Explorer Papercraft

Wednesday, 05 October 2011 13:18 Julius Perdana Anime - Cartoon

Every kids in the world know Dora the Spanish-English speaking little explorer girl who always accompany by Boots her monkey friend. Dora is very famous in tv channel, merchandise and fun games. My daughter once is very much huge fan of Dora when she was still in a playgroup. Now she is adoring Barbie very much, she already forget about Dora, perhaps because she has grown up a little bit, she is now in elementary school 1st grade. But when I tell her that I was making Dora figurine she was very excited. This template only has two page, the overall height of this assembled paper figurine will be around 15 cm or 6 inches.
